BENEFITTING ONE DROP FOUNDATION**

Seventh Annual Premier Philanthropic Event Scheduled March 8, 2019

LAS VEGAS – The seventh annual [One Night for One Drop](#) event will take place at “O” Theatre at **Bellagio Resort & Casino Friday, March 8, 2019**. Tickets are on sale now for the one-night-only soirée benefiting One Drop, a world-renowned non-profit organization dedicated to providing access to safe water around the globe. The philanthropic event, imagined by *Cirque du Soleil*, will feature an exclusive performance that will take guests on an empathetic journey drawing inspiration from human connection, friendship, beauty, nature, love and loss.

Showcasing their highly regarded creativity, **André Kasten** and **Leah Moyer** are this year’s writer-director team and their imaginative choreography can be seen in shows worldwide including *Mystère* and *The Beatles™ LOVE™* by *Cirque du Soleil*. All funds raised during the extravaganza will directly assist with One Drop’s humanitarian efforts as well as educational efforts throughout the Las Vegas valley.

“André and I are honored to be part of an event internationally known for being a transformative force in providing safe water and improving living conditions to those in need,” said Leah Moyer, Writer and Director. “Because limited access to safe water impacts millions of people, we wanted to create a compelling performance that uniquely highlights real-world issues and relevant conflicts happening today.”

Presented on the “O” stage, *One Night for One Drop 2019* will feature a strong aquatic theme that incorporates water in ways audience members have never seen before. This year’s storyline follows the main character, “Drop,” throughout her life and showcases fundamental lessons that encourage change and hope for humanity. Portraying pivotal moments and tumultuous times, “Drop” personifies the idea that necessary change begins with One Drop.

André Kasten further explained, “When we were designing the theme of next year’s performance, we wanted to produce a really creative and dynamic piece of art that also brings awareness to meaningful issues, in hopes of creating a brighter future for humankind.”
